

Theresa Sullivan: Am I a Servant or Savior

Reflect

- In your opinion, how is being able to serve others not only a responsibility but also a privilege?
- How is equilibrium different from balance? Why might equilibrium be a more goal when it comes to navigating all that you do in life?
- Sister Theresa reminds us to “leave some work for God to do.” Why is this easy to forget? What beliefs or dynamics might inadvertently lead to a “savior complex” in your own life?

Respond

- Sister Teresa mentions several resources for sustaining healthy patterns of service to others, such as mindfulness/prayer apps, images/pictures, music, meditation, and counseling. Which of these would be most helpful to you?
- With as much need and hurt as there is in the world, how do you avoid feeling overwhelmed? Where do you find resilience and hope?
